Program Project Icebreaker

Title:

Room in the Inn

Summary: *(limit 100 words)*

For its September meeting, Alpha Xi had a speaker from the Room in the Inn. Danielle Roden, the housing navigator, gave a very informative talk about the services provided for displaced mothers and children. In January, chapter members provided a meal for the current residents of the Inn. It was a great spread: chili, spaghetti, cornbread, tossed green salad with various dressings, cole slaw, chicken nuggets with dipping sauces, tortilla chips, a variety of cookies, soft drinks, Capri Sun drinks, and water. The Inn director was blown away by the abundance and variety of food that members delivered.

The photo shows Room in the Inn representative Danielle Roden as she presents the program to the chapter members.
