Title:

Author Talk: Hello Chattanooga

Summary: (limit 100 words)

With media today what it is you never know what will be reported. There is one difference - David Carroll from Channel 3 WRCB here in Chattanooga.

David's customary focus has been "School Patrol". This focus on education has been the passion of his career. But he also has a love for writing which shows in his new book *Hello Chattanooga*.

We had the privilege of having David attend Alpha's meeting and present the book to us. There are over 700 pages and 200 photographs relating stories about the different entertainment and presidential people who have visited our area.

The book is a non-stop read. I encourage everyone, including those not from Chattanooga, to order a copy and find out all the nuggets regarding our much beloved city.
