**Summary: (limit 100 words)**

**At the September Alpha Xi meeting, our President Pam Thompson invited a representative for Room in the Inn to present our program and acquaint our members with this inspiring organization that is meeting critical needs for housing and life skill classes for recommended homeless women and their children who are employed or in the process of training for employment. After hearing that one of the critical needs is a daily evening meal for the current clients to eat together as family, our chapter members joined together and provided a meal. The House Case manager framed her comments of gratitude with the words, “it was a feast”.**
