Title: Handle With Care

Summary: *(limit 100 words)*

Mrs. Lynn Cole along with the Handle with Care representative presented on this program. Lynn has worked hard to implement this throughout Benton Co Schools as well as train first responders in our area.

When a law enforcement officer encounters a child during a call, that child's name and three words, HANDLE WITH CARE, are forwarded to the school/childcare agency before the school begins the next day. The school implements individual, class and whole school trauma-sensitive curriculum so that traumatized children are "Handled with Care". If a child needs more intervention, on-site trauma-focused mental healthcare is available at the school.
