1. Specific written consent files at state organization or chapter level for
 - a. Addresses (postal or electronic) and telephone/FAX numbers of any individual Society member.

Recognition that items such as passages, images, and any other original work are copyrighted is critical. ALL passages, images, audio and/or video recordings are copyrighted with or without a copyright symbol being shown. Citing the source does not give the right to use the work. Written permission from the copyright holder stating that permission is given to republish their work on a website or in a newsletter should be sought, received, and saved before the item is used. Failure to do so may result in financial and legal repercussions.

If requested by the Society, proof of written permission for use must be provided.

State or chapter organizations are also responsible for complying with the tenets of the Society.
