## Chapter Program & Projects

### Project

#### **The River: Spotlight on Local Women's Ministry**

##### **Summary: *(limit 100 words)***

**In October 2020, we had a Zoom meeting featuring Stacy Larsen, director of The River. She told us about the services they provide for local women in our community. Some of the services offered are laundry (2 loads per day for 25 cents), showers, feminine hygiene products, snacks, and referrals to local agencies for needed services. Stacy gave us information on how our members could join them in this ministry for women.**
