Oak Ridge Schools' Family Resource Center

Ms. Jo Bruce, Director of the Oak Ridge Schools' Family Resource Center made a heartfelt presentation about this important community support program. In various initiatives, Jo shared that last year the Family Resource Center served 821 Oak Ridge families and 1643 affected children. Networking with other community partners, The Center was able to secure \$362,883.74 in donations, in-kind services, and volunteer hours to assist our children and families.

Family Resource Center: The mission of the Family Resource Center is to assist "at-risk" children and their families in the prevention and education of problems that interfere with their ability to become fully functioning and independent members of their community. It is the Family Resource Center's goal to help them achieve their very best.

The members of Alpha Epsilon voted to support this organization with a monetary donation.
