Title: Alpha Lambda Cares Project: Goodie Bags for DeNueville Learning Center for Women

Summary: (limit 100 words)

Our annual Alpha Lambda Cares Project that we complete is to provide goodie bags for the women of the DeNeuville Learning Center. DeNeuville is dedicated to helping under-served women improve their lives by providing them with the skills necessary for them to help themselves and empowering them through education and caring support. Our Chapter Projects committee coordinates with members the various items (personal, school, treats, etc.) to be added to the goodie bags. Members form an assembly line to stuff gift bags with tissue paper and a Valentine card. This activity fits DKG purposes III, IV, VI, and VII.
