Title: The Schools for Africa Challenge

Summary: *(limit 100 words)*

Beverly Smith, International Chair of the Educational Excellence Committee, was our guest speaker for Beta's February meeting. Members took a pretest to determine our prior knowledge of the Schools for Africa. Points were given for correct answers and later a prizes for the highest score.

The presentation was based on information requested on the pretest. We learned that Nelson Mandela co-founded Schools for Africa in 2004. UNICIF is the organization that distributes the money to the charity.

A beautiful slide show was viewed showing the schools and beautiful smiling children.

The need for contributions is great because the percentage of the population in Africa that is under 18 years of age is 50%.
