Beta Gamma Chapter Schools For Africa Program

Meeting in the home of charter member, Thelma Scott, Committee Chairs, Biyanka Wanigasekara and Sharon Brandon directed activities which introduced and reinforced members' knowledge on the continent and Schools for Africa. Before enjoying a delicious brunch, attendees were asked to match African food names with similar items served with a southern twist. Then, Stacy McGoldrick, and her Mom, Marian Reimann, Beta Beta California, presented an Africanns Language Lesson~donned in themed attire! Coincidentally, Marian was pregnant with Stacy at her Induction in 1972. Finally, Schools For Africa Bingo Facts was played for prizes. All donations went to local, state and international contributions.
