

# TNSO LEADERSHIP LINKS

February, 2024

## Message from the President

Greetings, DKG Sisters.

Our Tennessee State Organization lost three amazing leaders in the month of January. To mention just a few of their achievements, **Patsy Pope** (Beta Zeta Chapter) served as Xi State President from 1983-1985 and was a Xi State Achievement Award winner. **Orlean Bauman** (Alpha Rho Chapter) formerly served as editor of the Xi State News (DKG Tennessee News), was a TNSO Achievement Award Winner, and served in the offices of TNSO Second and First Vice President. **Dr. Kathy Kester**

(Beta Chapter) served on the Vision Foundation and also served on/chaired numerous state committees including Convention Steering, Historical Preservation, and Bylaws and Rules. I realize that some of you have also had beloved chapter members that have passed away recently, and we will be honoring all of these ladies in our Ceremony of Remembrance at the TNSO Convention on June 1. Although these ladies were from different backgrounds, different locations, and different fields of education, they all had at least two things in common - a passion for education and a love for DKG. Think of all the lives that have been touched by these Key Women Educators, both in the classroom and through those they have mentored in this Society. I hope that by remembering the lives of these leaders, we can strive to write our own DKG stories and leave a legacy for future members. We have such a wealth of information and resources to share with educators. I hope that we will be able to work together this year *In Harmony* to focus on expanding the reach of DKG in our efforts to support educators and recruit new members. Spend some time in your chapter meetings brainstorming ways to make that happen, and let me know how our State Organization can help.

*In Harmony,*

Marsha Brewer

Then just shoot some footage of your chapter and/or community members involved, and the finished product. My vision is for us to showcase your wonderful projects in "**A Day of Service *In Harmony***" at some point during the year. If a video is not possible, please take lots of pictures!

#### **TNSO 2nd VP Terry Sharp and the Convention Steering Committee:**

The time has come to start registering for the 2024 TNSO Convention! We've opted to keep our registration, lodging and meals at the same prices as last year. And, as in previous years, you have the option of completing the online google form for registration, or the Excel sheet, which will calculate your costs for you. I'm encouraging chapters to host registration events as part of their monthly programs between now and May 6th. If I can provide any assistance, please reach out to me.

We're very excited to be with you all at the 2024 Convention, and we'll see you on the mountain!

### **The Educational Excellence Committee:**

### **Dr. Carolyn Tucker and Brenda Oldham and the TNSO Legislation Committee:**

Please contact Dr. Carolyn Tucker at [ladybaldwintucker@gmail.com](mailto:ladybaldwintucker@gmail.com) or Brenda Oldham at [travelers4043@bellsouth.net](mailto:travelers4043@bellsouth.net) and let them know the contact information for your chapter

**Legislation Committee Chair. They would like to provide updates on legislative news and events.**

***Note: The Legislation Committee sponsored two legislative events in January, 2024: "A Virtual Workshop on Navigating the Legislative Website" on January 8 and "An Evening with Chris Ford - Effectively Communicating with Legislators" on January 22. If your chapter had even one member who attended one of these events, you can earn 5 points on the Maycie Award. Five additional points can be earned by attending chapter-sponsored legislative events.***

The TNSO Legislation Committee is encouraging members to contact Tennessee State Governor Bill Lee and the Tennessee State Legislators regarding critical issues impacting education in Tennessee. DKG members and friends of education should make these contacts via phone calls, email, texts and/or letters prior to January 2024. Below are the most salient concerns that need to be communicated:

- **The Education Savings Account (ESA – also known as vouchers)** Legislators are proposing changes that would broaden the scope of the ESA program and extend access and eligibility to 20,000 students statewide. The Tennessee Education Association is opposed to this program, citing concerns about the diverting of funds from Tennessee public schools.
- **Rejection of Federal Funds for Tennessee –** The impact of refusing federal dollars could be devastating to many local districts by diverting funds intended for Tennessee to other states for support of their schools. Students with disabilities and smaller school districts could be disproportionately affected by the loss of federal funding.
- **School Safety and Violence Prevention –** Extensive violence prevention training for school personnel, retrofitting of buildings for safety and procedural controls relative to school safety continue as areas of need in Tennessee school districts.

### **Dr. Linda Eller and the TNSO Membership Committee:**

#### **Quick tips- Who can be a member?**

Any professional female educator is eligible.

2. Retired educators can be members.
3. Any woman who is paid for training and educating others can be a member.
4. Junior and senior female college students in education can be members.
5. Non-traditional trainers and educators can be members.
6. Community leaders who are not paid educators can be invited as honorary members.

Any woman who is paid for her services in any field of education qualifies as a professional educator. Some examples include a nurse at a school or who teaches other nurses, a church employee who trains or teaches others, professional trainers in other organizations, or a teacher/trainer at a community college or agency.

Plus, each local chapter also makes the decision as to who in their community would qualify in the broader sense of educating others. Think outside and around the box of your community. Invite

The TNSO Membership Committee will be offering new awards this biennium for the chapter that reinstates the greatest percentage of dropped members. For the data on members from your chapter that have dropped that you would like to contact, email Linda Eller at [tndkg.mem@gmail.com](mailto:tndkg.mem@gmail.com) for a listing. Stay tuned for further details coming soon! The 75 page Membership Moments booklet can be found on the state website at [www.tndkg.org](http://www.tndkg.org) or can be accessed here. **Sandra Pineault and the Nominations Committee:**

Happy Valentines Day from the Nominations Committee! Valentine's is a holiday focused on people we love. I know you will agree with me that many of the people we love are those we have met through our Tennessee State Organization of DKG.

One way many of us express love is through service. During this Valentine's season, think of how you can serve your DKG sisters as an officer or on an elected committee. You can serve as President, First or Second Vice Presidents, or Recording or Corresponding Secretaries or with membership on one of the four TSO elected committees—Nominations, Personnel, Finance, or the Vision Foundation. Applications are accepted through October 31, 2024. You could make a valuable contribution to the Tennessee State Organization in the 2025-27 biennium.

Applications are available on the TSO website at <https://www.tndkg.org/forms> or by using the QR code found in the attachment below.

**Elaine Warwick and the TNSO Planning Committee:**

**TNSO Chapter Strategic Plan Update for 2023**

Chapters are encouraged to involve their membership in planning. The TNSO Planning Committee would like to thank the chapters who completed the survey, and want to help you if you have questions or need assistance. Feel free to contact the Planning Committee Chair Elaine Warwick at [tndkgplan@gmail.com](mailto:tndkgplan@gmail.com)

**Cindy Lynn and the TNSO Scholarship Committee:**

The Scholarship Committee is encouraging everyone who is interested in money to pursue advanced degrees to apply for a state scholarship. Funds are available! There is a brochure on the [tndkg.org](http://tndkg.org) website that can be copied and made available to members considering applying for a scholarship. The revised 2023 application is also available on the website. Attachments with the brochure and form can be found at the end of this newsletter. **The deadline for submitting an application for a state scholarship is February 1, 2024.**

**Linda Mann and Mildred Nelson and the Special Events Committee:**

It is not too late to get credit on the 2024 Maycie Award for Chapter Excellence for a cash donation of \$25.00 or more using the "Contributions" form on the [tndkg.org](http://tndkg.org) website and checking "Leadership Development." Donations will be accepted until March 31, 2024. Chapters are encouraged to donate items for the Silent Auction for the 2024 TNSO Convention in Sewanee. Money raised through Special Events helps fund TNSO leadership opportunities. Our goal this year is to have 100% chapter participation. The Special Events Committee will continue to sell Iris-themed items such as the beautiful notecards. Vinyl decals for cups, mugs, and windows will be available also. Join us at the Silent Auction and see which chapter wins the trophy for most funds raised!

**Mary Wadley and the TNSO State Projects Committee**

One of the goals of the TNSO State Projects Committee is to encourage literacy across the state by offering a statewide essay contest. The committee has chosen the topic of "Artificial Intelligence" for the essay contest this year. The scholarship money is increasing to \$350 for first place, \$250 for second place and \$150 for third place - almost double the amount awarded in the past. Also, this year the focus will be on high school submissions from students in both public and private schools from grades nine through twelve. We certainly want to encourage individual chapters to continue offering a local essay contest for elementary and middle school students if they choose to do so, but the state level awards will be given only at the high school level. The deadline for all submissions to the State Projects Committee will be **February 29, 2024**, due to Leap Year. Please send a separate cover page including the name of the sponsoring chapter and chapter contact person along with each winning high school essay on the topic provided. The prompt for this year is as follows: **"In what ways will A.I. [artificial intelligence] positively and negatively affect your daily life, now and in the future?"**

You can submit the essays and cover sheets to Mary Frances Wadley at [tndkg.stateprojects@gmail.com](mailto:tndkg.stateprojects@gmail.com). If you have questions, please text Mary at 731-307-9549. **The form and guidelines for the High School Essay Contest are attached below.**

**EXCITING NEW STATE PROJECT** - The TNSO State Projects Committee has received a Lucile Cornetet Seminar Award in the amount of \$3064.00 to host three regional workshops for early career educators in the fall of 2024. **Workshops have been scheduled for September 21, 2024 at St. Columba Retreat in Memphis, October 26, 2024 at The Dwelling Place in White Bluff, and November 16, 2024 at Falls Creek Falls State Park.** Stay tuned for more details coming soon!! This is a positive step forward in our mission of supporting educators and excellence in education.
