Title: Forgotten Child Fund

Summary: *(limit 100 words)*

Each year the local radio station sponsors a project called the “Forgotten Child Fund”. County schools submit names to the station of students who might need some gifts for Christmas. Students can put anything down that they want. Sometimes the wish list of students can include very expensive items. The station reads the names over the air and people in the community volunteer to sponsor a child. This year our group sponsored a young girl. We gave her many gifts and also made a large monetary contribution to the fund that would help support other students as well.
