

## BETA KAPPA CHAPTER HISTORY

**Beta Kappa Chapter** was organized on April 24, 1976, after Miss Mary Hall, state founder, recognized the need to divide the ever-growing Phi Chapter, which was composed of Giles, Lawrence, Lincoln and Marshall counties of Tennessee. The newly formed Beta Kappa Chapter was composed of Lincoln and Marshall counties while Phi Chapter retained Giles and Lawrence counties. In 1976, Beta Kappa chapter had forty charter members with Mrs. Erline Patrick chosen as the first chapter president.

Several Beta Kappa members have served on state committees throughout the years and four members have been selected as Order of the Rose recipients: Erline Patrick, Martha Wolf, Joie Burgess, and Teresa Brown. Beta Kappa members continue to represent both Marshall and Lincoln counties and meeting locations rotate between the two adjoining counties for everyone's convenience. Meetings today are a little more casual than in 1976, and the use of email, social media, and even sometimes virtual meetings by the chapter take place. Over the years, Beta Kappa has earned distinctions as a Maycie Award Chapter and earned highest honors in several of the TN DKG categories. Beta Kappa currently has a smaller number of members than when the chapter began, but the excellence and dedication shown by the members continues to be a strong part of the chapter. Throughout the decades, Beta Kappa members have given of their talents and time to help others and to promote education. Today members are strong supporters of the Imagination Library, local teacher mini-grants and donations of supplies for middle and high schools.

In 2024, member Emily Gordon presented a workshop at state convention about Music Therapy for the Aging Brain. Awards won include Gold Maycie Award of Excellence, Visual Arts Display Connection Certificate, Highest Honors Communications, Highest Honors yearbook. President Alva Cavnar and Vice-President Colleen Clift attended new officer training. Cecelia Johnson and Alva Cavnar attended Leadership Management Training 2024. Our chapter also inducted three new members and reinstated one member. Officers for 2024-26 are President Alva Cavnar; Vice-President Colleen Clift; Secretary Ginger Hardison; Treasurer Andrea Hardison.
