Program **Project** Icebreaker

Title:

Calendars for Hospitalized Veterans in TN

Summary: Alpha Xi chapter members Liz Morton and Suzanne Rushworth started this project in the early 2000s as part of a senior project at a local high school. Alpha Xi has participated in the project for the past several years. Members collect and donate calendars each year in the early fall. In December the calendars are taken to the Veterans Hospital in Murfreesboro and to the Veterans Center in Chattanooga. The delivery of the calendars is always met with excitement and deep appreciation. Because of Liz's efforts and ongoing support, the project was named in her honor in its early years. The project has grown exponentially over the years, and it is estimated that 4000+ calendars have been donated. Alpha Xi members and high school seniors are committed to supporting the project for many years to come.
