Title:

Local Reading Area

Summary: (limit 100 words)

Gamma Omicron has started a reading corner at the McEwen Laundromat. There is no local library for the community to use, unless one goes to Waverly or Dickson. There are books for all ages, as well as, various genres. Books are replenished on a monthly basis. People from town can donate books as long as they are appropriate in content and language. We are hoping to increase the love of pleasure reading in our town, and also, let people know about DKG.
