Title: Honoring Women’s Heart Health Month – February 2023

Summary: (limit 100 words)

In honor of February & Women’s Heart ❤️ Health Month members of Alpha Lambda Chapter wore red to the meeting. We started with guest speaker- cardiologist Dr. Lisa Young, where she gave advice about taking care of your heart ❤️ and staying healthy. Later after a short meeting members enjoyed food & fellowship with a valentine 🧡 theme. Lastly, members prepared goody/happy bags 📁 for the students at DeNeuille Learning Center for our monthly service project. All items were donated by members. Over 100 bags were made. !! 📁 ❤️ A great time and day to be a member of DKG - Alpha Lambda Chapter.
