Title:

Read Across America Support

Summary: (limit 100 words)

During a chapter meeting, members were video recorded reading a children's book. Members not in attendance had the opportunity to record a book at home and submit it for the project. A local college education major voluntarily compiled individual videos and published them as a DKG Pi Chapter YouTube video. The video was shared with the teachers in 9 elementary schools at the beginning of Read Across America Week. A few members also donated books which were provided to classrooms in one elementary school and one member donated funds used to provide over 50 books for children to take home.
