Title: Community Library

Summary: *(limit 100 words)*

Gamma Omicron has put a community reading center in the town's laundromat. The center provides books for all ages (toddlers through adults). We have magazines that cover cooking, inspiration, hunting, cars, home improvements, etc. We also provide activities that promote basic skills for math and Language Arts. We keep coloring sheets and fun activities for children to use while clothes are washing and drying. Throughout the year, we supply pencils, paper, crayons, and other supplies for the classroom.

We are getting people in the community to donate their old books and magazines to this project. We are so excited that it has been such a successful event.
