Recognition for Black History Month and National Women’s History Month

With February being Black History Month and March, National Women’s History Month, Alpha Nu recognized Dr. Adrienne Battle as “The First Black Female Director of MNPS”. She was our guest speaker. She spoke to us about her philosophy of education in the 21st century and what she hoped to accomplish for MNPS. To show our appreciation, we sent her a dozen roses and a gift card.

During this program, Linda Mann and Mildred Nelson took us on virtual field trip to the Black History Museum, Fisk University, Meharry Medical College, and Tennessee State University.
