**Title: Beta Pi Feeds Band Students**

**Summary: (limit 100 words)**

**Our chapter volunteered to feed the band students for one night of band camp. (We were the only organization that volunteered.) Since we are a small chapter, we didn't have enough money to buy the pizzas and get drinks other than bottled water. I mentioned our project on Facebook and asked if anyone would want to help buy drinks. We had \$270 donated, and two cases of water. We were able to buy sports drinks, water, and snacks for the band to use during the rest of camp and practices.**
