Project

Isaiah 117 House

What if there was a home where children could go when they are removed? What if there was a safe place with friendly, loving volunteers? What if there was an environment with clean clothes, bath toys, healthy snacks, comfy beds and toys? What if instead of cubicles, the traumatized child could see smiles, books, and snuggly blankets? This is what the Isaiah House is. TN Alpha Beta welcomed this project to help with supplies for the Isaiah House. Each meeting we brought in the needed items to donate. We had great success and we plan to continue this project for a long time.
