Program

Tennessee and the Women's Suffrage

Emily Gordon, member of Beta Kappa since 1974, made a presentation on Tennessee and women's suffrage at the chapter meeting on October 29, 2020. Dressed in suffrage attire reminiscent of the 1920's, Emily recounted the drama surrounding the Tennessee vote – the women leaders, the opponents, as well as how one legislator was persuaded to vote for the amendment, the one vote that changed the history of the United States. Emily entertained as much as she informed. She also displayed some of her sources and artifacts. *Tennessee and the Women's Suffrage* was one of the best programs the chapter has had.
