Be the Change!

When TN Alpha Beta Chapter began planning for the 2020-2021 year we started to panic. We usually have an auction, but with the pandemic we were lucky if we even would meet in person. We know how important our scholarship for a local college student going into the teaching field is to our DKG members. Our president, Debra Dickey came up with the slogan: **Be the Change: Bring your spare change: Fill the jar to the top! Donate a little or donate a lot! Please just donate! Our goal was \$500 and at the March meeting we reached our goal when we raised \$505.52.**

August 2020
