Chapter Program & Projects

Program Project Icebreaker

Title: Travels in South Africa

Summary:

Irene Archambault of Beta chapter presented slides of her travels in South Africa during the summer of 2022. Animals and landscapes were the major topics, but she did share information about the daycare on one of the animal preserves. President Jan Brown distributed a Schools for Africa handout and urged members to review the information about the partnership with UNICEF. Ms. Brown also announced that Beta chapter would be making a donation to Schools for Africa in Ms. Archambault's honor.
