Title: Alpha Sigma Collects Backpacks for Moriah House

Alpha Sigma invited Aryana Rimson, house manager for Moriah House in Memphis to speak at a monthly chapter meeting. Moriah House is a faith-based long-term recovery program for women and their children. They offer counseling, classes in life-skills, and help with employment. Alpha Sigma members donated backpacks and duffel bags for the women and their children to use when they leave the house on weekend passes. Photo shows chapter president, Sonja Glaser (on the right) presenting bags to Aryana Rimson.
