## Chapter Program & Projects

### Project

#### **Hat Fairy Project**

**In August, we voted to meet via Zoom. This year, we do not have an extra added cost for a meeting venue. The Executive Board voted to continue the activities with the Hat Fairy and boost the morale by giving gifts.**

**The Hat Fairy wears a different hat each month. If it is a special holiday in the month, she wears a hat to celebrate that holiday. At the end of each meeting, she does a plethora of fun activities. The winners of the activities receive a gift card. At least five members win a gift card, and it is sent by mail from Collen Clift, the Hat Fairy.**
