Title:

Celebrating Members at the Fall Festival

Summary: *(limit 100 words)*

To celebrate returning to in person meetings, the Memphis area coordinating council, Alpha Lambda, Alpha Sigma, Beta Gamma, and Beta Iota, held a fall festival complete with autumn leaves, pumpkins, and scarecrows. Members played a fun-filled game, had time for specialty photos with props, reconnecting with each other, and enjoyed a delicious buffet. We reached back to 2020 and celebrated membership years of service, individual awards, grants, scholarship, new members, and chapter state awards. Becky Sadowski spoke about being present and involved at the chapter level. Best of all, we offered fall baskets to win. Each chapter provided one fall-themed basket. Those attending purchased a chance ticket for the basket of their choice, as many as they wanted. The 4 lucky winners, Teramena Oliver, Camille Dolan, Celestine French and a guest, Jean Bynum, took home gift cards, chocolate, ceramic bowls, platters, bottles of wine, kitchen towels, a teapot with teacups, and so much more. The proceeds will go toward sending a new member to the state convention in June. Baskets will have a spring theme in April for another fun time being together.
