Gamma Eta Chapter was organized by Omega Chapter of McNairy and Hardin counties on September 12, 1992, at the McConnico Public Library in Selmer. Dr. Janice Sorsby was TSO President at this time. The first officers of Gamma Eta were: Elizabeth Redmon, president; Virginia Howell, first vice-president; Elizabeth Littlefield, second vice-president; Patricia Brooks, recording secretary; Robbie Volner, corresponding secretary; Teresa Fields, treasurer; Martha Glover, parliamentarian.

Gamma Eta had three members who were also charter members of Omega Chapter when it was organized in 1950. They are **Kathleen Wright** who served McNairy County School System as its Instructional/Curriculum Supervisor for many years. **Lois Prather** who taught many of our county's children across the years at the third-grade level, and **Hazel Steadman** who was librarian at Selmer High School and then assisted the county in upgrading all its libraries so the schools would meet the requirements for accreditation with SACS. Mrs. Steadman also became the first librarian to serve the McConnico Public Library in Selmer.
