## Chapter Program & Projects

### Project

**Title:**

**School Supply Drive for Waverly, TN/Humphries Co. Schools**

**Summary:**

**Following the August 2021 flooding in Waverly, TN/Humphries Co., Kappa Chapter started a school supply drive. The community lost 2 complete schools & several parts of other schools. Supplies & monetary donations were received from DKG Chapters across TN. We sent over 20 boxes of donated supplies & raised over \$2000 to purchase other supplies that were needed. Funds went to purchase copy paper, printer ink, & filing/organization systems for teachers. Kappa members helped to collect, organize, and deliver supplies to the disbursement location.**
